- ❖ Appointment to examine your client will only be made once ALL medical records & paperwork is received. This reduces delay in completing a report.
- ❖ Appointments are normally on **Wednesday or Saturday AM/PM** at the clinics above. This must be confirmed with the secretary in advance.
- ❖ Current waiting time between receipt of complete request and preparation of medical report is approximately 4 weeks.
- ❖ The fee for a standard personal injury report involving examination of your client is currently **£500** and that for a clinical negligence report, without examination of client, is **£1000**. This is subject to revision. The invoice amount will be negotiated with the instructing solicitor or agency in advance where the report is likely to be lengthy or complicated.
- ❖ Invoice, including payment details, will be submitted with the medical report.
- ❖ It is preferable that the invoice is settled within 30 days.
- ❖ However a **deferred** period for payment of invoice between **6 - 9 months** may be acceptable. Any deferment term **MUST** be agreed in advance.
- ❖ The expert is prepared to answer any reasonable query (CPR part 35.6) about the contents of his medical report within a reasonable time frame. Requests for additional reports or amendments afterwards will be invoiced separately.
- ❖ Paperwork for all such additional information is the responsibility of the solicitor or agency.
- ❖ The expert is prepared to appear in court on your behalf about a medical report. All such court appearance will be invoiced separately.
