MBBS (India) – 1993

FRCP (London) – 2006

M Ed (Med Ed) – 2006

MAcadMED – 2009

Cert HFMA – 2012

MRes (Medicine) - 2020

CCST (GIM) - 2002

CCST (Geriatric Medicine) -2002

GMC Reg No. 4484965

(Revalidated on September 2019)

CCT (Geriatric Medicine)-2002

Educational Leadership & Collegiality

- I am an Honorary Associate Clinical Professor at University of Nottingham since 2012
- I am the Honorary Secretary elect of the British Association of Stroke Physicians (currently serving as Honorary Deputy Secretary since Dec 2018). I Chair the Clinical Advisory Group in Stroke in East Midlands (since Oct 2016).
- I am a Visiting Professor at Saveetha Medical College (deemed a University), Chennai, India since 2019
- I am a member of RCP's Investment Advisory Panel since 2019
- I am a member of Internal Medicine Advisory Group (helping the development of Internal Medicine Training Curriculum/Assessments) of the Royal College of Physicians
- As Chair of Education Centres Council at Nottingham University Hospitals, I have overseen a successful bid for a £1.4 m project of post graduate centre refurbishment without costing anything to the Trust (money obtained from other sources)
- As Associate Post Graduate Dean in East Midlands Deanery,
 - I am currently helping the trainees (of all specialties) who are unable to work due to COVID 19 crisis to find suitable projects to enhance their portfolio whilst being away from work in East Midlands
 - I am the Lead APD in helping the Medical Director at United Hospitals of Derby and Burton regarding integration of the Training posts in both sites following the merger in 2018
 - I conceptualised and generated an MSc programme in Medical Leadership and Advanced Professional Skills for the SAS doctors (validated by DeMontfort University), in addition to authoring the CPD framework for them.
 - My work to develop SAS doctors in Emergency Medicine was shortlisted for an award by East Midlands Leadership Academy (in the collaborative leadership category).
 - My work (with Dan Boden, Consultant in ED at Derby Hospital) resulted in Derby recruiting 19 SAS doctors – thus improving patient safety whilst saving nearly £1m for Derby Hospitals. This model is being rolled out across East Midlands to improve recruitment and retention
- As Training Programme Director (GIM) in East Midlands Deanery, I pioneered the establishment of a separate ARCP in GIM (unlinked from the parent specialty, which is the current model of assessment across all higher specialties linked to medicine)
- I have served as the Regional Adviser of Royal College of Physicians, East Midlands North from Aug 2010 to July 2015; between 2013–15, I represented the Regional Advisers in the Council

Ganesh Subramanian

- I was invited to be the Chair of a newly formed Educational Subgroup by Nottingham University Hospital Charity in 2012—we administer £150k per year for further training of NUH staff
- As the Clinical Lead for Medical Assistantship module (final year UG studies) for University of Nottingham,
 - I have developed the necessary materials for the MAST course
 - I expanded the 4 weeks course to 6 weeks course (to encompass the F1 shadowing period)
- I was an integral member in the development of Stroke Specific Education Framework which is used to train the stroke workforce of all disciplines in the Country
- I am a host examiner for MRCP PACES since 2010 in Nottingham. I am also a member of Question Writers' Group for MRCP (written) since 2016
- Having served as a member of the Registration and Fitness to Practice Panel at GMC for 3 years, I have been appointed as a Chair of the Panel in 2015
- I have served as an Executive officer in the National Association of Clinical Tutors, UK. During my tenure I co-authored the Educational Supervision slide set for national usage by DME/Clinical Tutors
- I was a member of the Quality Assurance Board in the North of England for the Mind and Movement Module (4th year of UG studies) MCQ question bank (2004 – 2009)

Clinical Leadership & Management skills

- Whilst serving in the British Association of Stroke Physicians in the Clinical Standards Committee
 - I wrote the specifications/standards of Stroke Services, infrastructure for delivering neuro-interventional services
 - I wrote the standards for revalidation of stroke physicians.
 - I contributed to the development of 4th RCP Guidelines on Management of Acute Stroke and TIA
 - I was involved in writing the 'aspirational' stroke service standards in May 2014
- I Chair the Clinical Advisory Group for Stroke in East Midlands since Oct 2016.
- I lead the non-radiology clinical workstream in EMRAD (East Midlands Radiology Consortium) for the Deployment of the new PACS in the whole of East Midlands. I have overseen successful deployment in 7 Acute Trusts in East Midlands; the project has been given the 'Vanguard' status by NHS England.
- I am one of the few RCP accredited 'Peer Reviewer' of Stroke services
- I have been pivotal in driving the non-VKA drugs in Nottinghamshire (I sit in the non-VKA drugs steering group). I have also written guidelines for its use at Nottingham in various clinical situations (e.g. emergency and elective surgery, endoscopic procedures, etc.)
- I am a member of Case Investigation Faculty at Nottingham University Hospitals—this role involves investigating staff members about whom complaints are made (e.g. lack of professionalism, dignity at work, etc.)

Non-peer Reviewed Publications

1. Revalidation for Stroke Physicians – British Association of Stroke Physicians Clinical Standards Committee 2015
2. British Association of Stroke Physicians Stroke Service Standards – British Association of Stroke Physicians Clinical Standards Committee 2014
3. British Association of Stroke Physicians Door to Needle Time Resource – British Association of Stroke Physicians Clinical Standards Committee 2013
4. RCP National Clinical Guideline for Stroke 2012. Key changes from 2008 – British Association of Stroke Physicians Clinical Standards Committee 2013

Referee

I am a peer reviewer for articles related to stroke and medical education for various international journals including Emergency Medicine Journal (published by British Medical Journal), Postgraduate Medicine and Age & Ageing

Current Clinical Role

- I have been a Consultant in Stroke Medicine since 2002 (initially at Central Manchester University Hospitals till Dec 2009 and subsequently at Nottingham University Hospitals). I participate in the whole spectrum of stroke care (from hyperacute to rehabilitation). I am a member of the on call team which provides care for stroke patients at both Nottingham University Hospitals and Sherwood Forest Hospitals
- I am the non-radiology clinicians lead for the Regional PACS—this has been given the Vanguard status by NHS England in 2016
- I lead the development of neurointervention service for the whole of East Midlands
- I lead the Clinical Governance in Stroke
- I undertake outpatient clinics and see both patients with cerebrovascular disease (stroke and Fast Track TIA clinic)

Medico-legal experience

- I have been undertaking medico-legal work since 2011
- I produce 50+ reports per year
- My split (of medico-legal reports) are 60:30:10 for Claimant, defendant and Police/CPS respectively
- I have attended The Court to give evidence
- I am happy to visit patients in their own home (for C & P report) if necessary; I am happy to participate in teleconference with Counsel as necessary

Other Interests

I am a keen sportsman. I have represented India in chess at various international competitions in the past. I am a regular player in the Nottinghamshire Cricket League and in the Nottingham and Newark Badminton Leagues.

I enjoy Swimming. I have done a number of bike rides to raise money for charity.

I am interested in wine tasting. I have completed a number of courses (run by Wine Education Society) in wine tasting and continue to further my knowledge of wines and viticulture. I serve the Royal College of Physicians, London in their wine selection panel (since 2011). I also host charity wine tastings regularly to raise money for various local charities.
