

CURRICULUM VITAE

Name: **Paul Kelly**
FCIOB, MCIarb, MAPM, FAE

Nationality: British
Profession: Delay and Disruption Analyst
Position in firm: Director of Forensic Planning

Key expertise An accomplished and professional programming expert, Paul joined Capita in 2015 as a Director of expert witness and advisory services. Previously a Director of Gleeds Advisory, Paul led a team of construction professionals offering expert advisory and CPR compliant expert witness services to any of the parties in a potential or actual dispute.

Paul has over 37 years' experience in construction and his personal expertise is planning & programming (scheduling) either for live projects or for forensic delay analysis – to evaluate entitlement to extension of time.

His international experience covers a wide range of sectors from buildings and infrastructure, to ship-building and oil and gas.

Professional membership and qualifications Fellow of the Chartered Institute of Building
Member of the Chartered Institute of Arbitrators
Member of the Association for Project Management
Fellow of the Academy of Experts (TAE Panel Assessor)
Member of the Society of Construction Law
Bond Solon Expert Witness Accreditation

Paul has given evidence in a number of high profile international arbitrations and is fully conversant with the Civil Procedure Rules for experts.
