Hi Martine,

I hope you are enjoying the morning.

Please see below for the testimonial for Dr Sethi:

We have worked with Dr Sethi for some years now, and we are privileged to have him on our panel of paediatricians.

Dr Sethi has proven his expertise many times over the years, addressing all aspects of paediatrics in the many expert witness reports that he has produced for us.

All reports by Dr Sethi are produced to the highest standard and working with him has greatly enhanced the reputation of Clarity.

On time and on budget, Dr Sethi can be trusted to deliver everything required of him, and we look forward to a long relationship together.

We honestly can't overstate the professionalism and expertise of Dr Sethi, and would recommend him to anybody looking for answers in the field of Paediatrics.

Thank you Dr Sethi.

I hope this is okay. We are happy to amend if needed.

Kind regards

Allan
