Robert Anthony Camm

BSc Hons MRICS

Robert qualified from the University of Glamorgan with an Honours Degree in Property Management and Valuation in 2003.

Having worked at Dawsons from 2001, Robert continued employment in the Survey and Valuation departments, becoming an MRICS Chartered Surveyor in 2005.

In 2007, Robert joined national firm Lambert Smith Hampton where he was employed in the role of Industrial Agent dealing with properties throughout South Wales.

In 2009, Robert established CLC Chartered Surveyors as a general practice firm of Chartered Surveyors. 2018 saw the establishment of CLC Estate Management to focus on the management of residential and commercial blocks and estates.

In early 2024, Robert merged his business interests with Dawsons, where he rejoined as a Partner, undertaking work in the Valuation and Survey departments and overseeing the Block Management Department.

Over the years, Robert's Survey and Valuation clients have included private individuals, Solicitors, Accountants, High Street Banks, Pension Funds, Housing Associations and Charities.

Robert undertakes surveys and expert witness reports across the South and South West Wales areas.
