SUMMARY

I am a Consultant Surgeon at University College London Hospital (UCLH), a leading London teaching hospital. I have 21 years of post-fellowship experience, specialising in laparoscopic upper gastrointestinal and bariatric surgery. I am also actively engaged in medical education, clinical governance, and surgical research.

Clinical Expertise:

- Laparoscopic Surgery
- Bariatric (Weight Loss) Surgery: Gastric Bypass, Mini-Gastric Bypass, Sleeve Gastrectomy, Gastric Band
- Hernia Surgery: Inguinal, Umbilical, Incisional, Abdominal Wall, Sports Hernia
- Gallbladder Surgery: Cholecystectomy, Gallstones
- Anti-Reflux Surgery: Fundoplication, Hiatus Hernia
- Emergency Surgery: Appendicectomy, Perforated Ulcer, Trauma

I am a trained Expert Witness and have developed a growing medicolegal practice covering both personal injury and clinical negligence.
