Legal experience

I established medico- legal practise in 2025 after a full time clinical including tertiary paediatric gastroenterology, acute and general paediatrics and neonatology. I have experience of being instructed for breach and causation reports and am a member of

Cambridge Paediatric Medico-legal Associates. I have been a member of the RCPCH Medico-legal interest group since 2024 attending half day course in 2024 and monthly interest group meetings and completed Bond Solon report writing course. On behalf of clinical teams I have led I have providing expert advice and reports, liaison with family and other experts and representation at Coroners Inquests. I have led and written an invited review in my NHSE role.

Postgraduate Clinical Experience

Consultant

12.3.00 – date Consultant Paediatrician, Norfolk and Norwich University Hospital
6.3.00 – 23.2.01 Consultant Paediatrician, Bromley Hospitals Trust, Kent

Specialist Registrar

1.3.99 – 6.3.00 Paediatric Neurology, Kings College Hospital, London.
1.9.98 - 28.2.99 Neonatal Intensive Care, Guy's Hospital, London.
1.3.98 - 6.9.98 Paediatric Cardiology, Guy's Hospital, London.
1.12.97 - 28.2.98 General Paediatrics, St Thomas' Hospital, London.
1.2.95 - 31.7.95 SR locum, West Lambeth Community Care Trust, London.
1.10.93 - 31.1.95 General paediatrics and neonatology, St Thomas' Hospital, London.
1.11.92 - 30.9.93 General paediatrics and neonatology, Pembury Hospital, Kent.

General Professional Training

1.4.92 - 30.9.92 Paediatric Nephrology and PICU, Guy's Hospital, London.
1.2.92 - 31.3.92 Metabolic Firm locum, Hospital for Sick Children, London.
1.8.90 - 31.1.92 Paediatric SHO rotation, Medway Hospital and St Thomas' Hospital.

Paediatric Interests

2001 - date Norfolk and Norwich University Hospital Foundation Trust (NNUH)

2001 – 2023, 2025 - date General Paediatric Medicine

Acute Paediatric Consultant with on-call and consultant of the week responsibilities at large teaching hospital with inpatient and outpatient services including planned and urgent/emergency care for a population of over 105,000 children and young people aged 0-16. 4 HDU beds supporting paediatric medical and surgical patients including general surgery, ENT and orthopaedics. Stepped down from acute paediatrics in 2022 to focus on paediatric gastroenterology and regional leadership

roles. Since 2025 LTFT role has been primarily outpatient general paediatrics and inpatient cover for eating disorder patients.

2001 - 2025 Paediatric Gastroenterology

First NNUH consultant with interest in paediatric gastroenterology and nutrition. Lead consultant from 2001-2025 with responsibility for governance, team development and service delivery at secondary and tertiary levels. Established and built NNUH multidisciplinary team with case load including inflammatory bowel disease, coeliac disease, food allergy, survivors of congenital bowel problems and NEC with intestinal failure. I undertook regular service and teaching gastroscopy lists.

I am a member of British Paediatric Gastroenterology, Hepatology and Nutrition. I have been on IBD and Coeliac Disease working groups and was an author on publications from both. I led formation of the East of England Paediatric Gastroenterology Network and was the inaugural chair.

Nutritional expertise including advice to neonatal surgical patients, inpatient parenteral nutrition, intestinal failure (including shared care for home PN team with regional colleagues) and patients with eating disorders needing nutritional rehabilitation within acute sector.

2001 - 2005 Level 3 Neonatal/Neonatal Surgical Unit.

One of 6 consultants delivering consultant Neonatal Intensive Care. Stepped down to focus on acute paediatrics and paediatric gastroenterology though have maintained weekly contribution to neonatal/neonatal surgical MDT to provide nutritional and gastroenterological advice.

Educational

In 2002 I was awarded full membership of the Institute for Learning and Teaching in Higher Education, now the Higher Education Authority.

2001 - date Honorary Senior Lecturer University of East Anglia: teaching and OSCE examination.

2016 - date UK Associate Chair Pediatrics, St Georges University, Grenada: curriculum development, teaching and faculty support. 2009-2016 Clerkship Director for Pediatrics at NNUH.

2001 - date RCPCH Educational and clinical supervisor: supervision and mentoring of a wide range of post graduate trainees in general paediatric and specialist gastroenterology training.

Clinical Leadership

2022 - date Clinical Director NHSE East of England Children and Young People's Transformation Programme

2024-date Clinical Lead CYP Elective Recovery, NHSE East of England

2022- date Member Clinical Senate East of England

Clinical leadership of NHSE team including engagement with ICB, regional and national stakeholders. Advocacy for Children and Young People services, line management of clinical experts and governance requirements.

2017 - 2022 Chief of Service: Paediatric Medicine, Surgery, Neonatology, NNUH

2015 - 2017 Clinical Director Paediatric Medicine, NNUH

2001 - 2024 Paediatric Gastroenterology service lead, NNUH

Research

1.8.95 - 30.11.97 Special Trustees of St Thomas Hospital Paediatric Research Fellow, Gastroenterology Unit (UMDS), Rayne Institute, St Thomas' Hospital (Maternity leave Nov 1996 -Feb 1997). Supervisor: Professor PJ Ciclitira.

MD thesis "**The Genetics of Coeliac Disease**". A Doctorate in Medicine of the University of London was awarded in September 2000.
