Important Information

Payment information

Payment method: credit agreement

Your subscription continues to be paid over 10 monthly repayments through a credit agreement with Premium Credit Ltd.

Sessions based subscriptions

The MDU defines a session as 4 hours of clinical work, or part of 4 hours worked. This includes anything that could potentially give rise to a clinical negligence claim as a result of the provision of care to individual patients e.g. time spent writing up clinical notes, making referrals, issuing prescriptions etc. You do not need to include time spent on general practice administration or employee issues.

The following formula can be used to determine the **average** number of weekly sessions you need to declare. Any annual/study leave or time away from the practice can be excluded.

$$\begin{array}{c} \boxed{\begin{array}{c} \text{Hours} \\ \text{per} \\ \text{week} \\ \text{worked} \end{array}} \times \boxed{\begin{array}{c} \text{Weeks} \\ \text{per} \\ \text{year} \\ \text{worked} \end{array}} \div \boxed{\begin{array}{c} 52 \text{ weeks} \\ \text{in a} \\ \text{year} \end{array}} \div \boxed{\begin{array}{c} 4 \text{ hours} \\ \text{in a} \\ \text{session} \end{array}} = \boxed{\begin{array}{c} \text{Average} \\ \text{number of} \\ \text{weekly} \\ \text{sessions} \end{array}} \end{array}$$

Example - if you worked 16 hours a week for 36 weeks a year

$$\begin{array}{c} \boxed{\begin{array}{c} 16 \text{ hours} \\ \text{per} \\ \text{week} \\ \text{worked} \end{array}} \times \boxed{\begin{array}{c} 36 \text{ weeks} \\ \text{per} \\ \text{year} \\ \text{worked} \end{array}} \div \boxed{\begin{array}{c} 52 \text{ weeks} \\ \text{in a} \\ \text{year} \end{array}} \div \boxed{\begin{array}{c} 4 \text{ hours} \\ \text{in a} \\ \text{session} \end{array}} = \boxed{\begin{array}{c} 3 \\ \text{Average} \\ \text{number of} \\ \text{weekly} \\ \text{sessions} \end{array}} \end{array}$$

You should use the number of hours you regularly work each week excluding any extra hours completed occasionally to meet the needs of your patient population. For example, if you are contracted to work 3 morning sessions and 3 evening sessions each week but the surgery occasionally overruns, this need not be included. However if it frequently overruns then the estimated additional time should be included in your calculations.

If you're unsure if your subscription is sessions based or you have any questions about calculating sessions, please contact our membership team on **0800 716 376**.
