

AGREEMENTS

At EMD Law LLP we are able to draft the following types of agreements for clients:

- Separation Agreements
- Cohabitation Agreements

At EMD Law LLP we are aware of the importance of providing clients with different options in terms of costs and we therefore offer two payment options – the hourly rate option and the fixed fee option.

OPTION 1: HOURLY RATE

We offer an hourly rate whereby all work undertaken is charged at the fee earner's hourly rate in units of six minutes. Under this option we would bill on a monthly basis and the invoices are payable within 14 days of the date of the invoice unless we have agreed an alternative arrangement. The invoice will include a full narrative of the work undertaken during the period the invoice covers so clients can clearly see exactly what work has been carried out.

OPTION 2: FIXED FEES

We recognise the fact that clients often want certainty in terms of costs and we have therefore introduced the fixed fee option. Under this option we offer a fixed fee for each potential step. We have set out below details of the steps and the cost.
