RESTORATION COMPANY

The Mosaic Restoration Company is a leading specialist in mosaic design, fabrication and restoration encompassing all types of properties from private Victorian hallways to public buildings and Cathedrals.

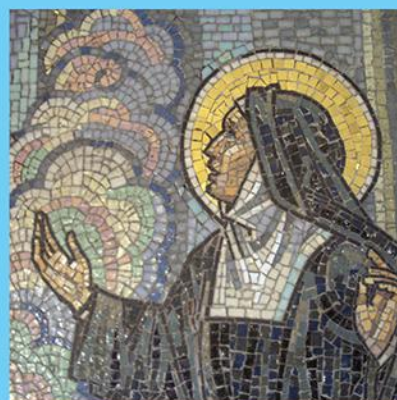

Residential Victorian & Edwardian tiles

Commercial Restoration & new mosaic works

Ecclesiastical Restoration & new mosaic works

The Mosaic Restoration Company is a family run business headed up by leading expert Gary Bricknell with over 35 years experience working with mosaics. Based out of a purpose built workshop in Northamptonshire in the Midlands, they carry out mosaic restoration and new mosaic works throughout the UK and Europe.

The company is unique with a fresh and friendly approach to running its business. All staff are directly employed and trained to a high standard and have pride in the work they carry out. Be it a small private job, or a large public commission each project receives the same great attention to detail.
